Rating and Ranking Documentaries

1. Watch each documentary and rate it on a scale of 1 to 5, 5 being best of the best for each of the following categories:

Name of Documentary: (Write title, not a number)	Length: (time & rating)	Creatively planned: (rating)	Uses multiple examples and lots of text evidence:	Interest level is consistently high throughout:	Variety of treatments:	Audio quality:	Overall Quality of entire video:	2. Ranking: (Read instructions below for #2)

2. Now, rank each of the documentaries you watched from best to worst in the last column.
3. Finally, write several paragraphs on the back of this paper explaining why. You will first, make your claim, Example: "I ranked the video titled _____ the highest." Use a variety of "text evidence" to support your claim, Example: "The first reason why I liked it best was _____." You can also explain why the other videos ranked lower.
